* Parents please note that the school playground will be undergoing extensive renovation works during the October holidays. Due to the centre’s proximity of these works we will be limiting and possibly adapting our program accordingly. We may use alternative spaces within the school to limit the disruption and noise caused by these works, and we will endeavour to keep you informed during the process. The children’s safety and wellbeing will be paramount in any last minute changes that may occur and we thank you in advance for your understanding.
During the below excursions we will have an Educator to child ratio of 1:10 or less to ensure high supervision. Risk assessments have been prepared by the Educators and are available in the Centre for all families to view.
